Make 2008 the Year to Live Your Goals
Take Your Motivation To
The Highest Success

CLEAR GOALS FOR SUCCESS **Workshop**

The Dual Method of Success To Have
Your Goals And Dreams Into Action

Presented by

London College of Clinical Hypnosis

On
29 & 30 March 2008 (2 Days)

Call 603-7960 6439 / 6449 for further details

This workshop is for anyone who is interested
in transforming their dreams, vision and
goals to action successfully.

Cost of Workshop: RM 1,008 per person
(Coffee, lunch and tea provided during breaks)

CLEAR GOALS – the dual method of success

Background

Michael Joseph developed the concept of “clear goals” which takes every motivational concept that you have ever heard or learned about personally and shows you how to transform them into the action that will make your success real.

Clear goals is a dual method

- you identify your goals in the strongest clearest way possible.
- you develop the momentum that takes you beyond this goal and into success.
- you begin the journey in the classroom with Michael Joseph - teacher of success.

Created by Michael Joseph

Founder of the London College of Clinical Hypnosis
President of the British Society of Clinical Hypnosis

This is a workshop of action

There will be demonstrations on both individuals and the group as a whole. Everyone attending has the opportunity to benefit directly from this unique and effective approach. First time in Asia - Start your journey to success with Michael Joseph and take home your action plan which will guide you toward your “clear goal”

What you can expect

* Work on your Goal

Clearly identify your goal

Evaluate whether this is the correct goal for you

Readjust the details until you identify your “clear goal”

* Identify the correct first step you need to take

The journey toward achieving your goal must start with the correct first step

* Develop the action of success

There is always the long way and the quick way to achieving your goal. Create the quickest route to your success.

Michael Joseph has worked with some of the most famous and successful people in the UK. The course is presented for the first time in Asia by the London College of Clinical Hypnosis.

**Make 2008 The Year You Journey To Success.
This workshop is for ANYONE who is interested
in transforming their dreams, vision and goals
to action successfully.**

Workshop Objectives

At the end of the workshop, you will:

- Take steps towards achieving all of your life's goals, and finally, completely changing your life the way you want it.
- Have hands on experience with unique LCCH motivational techniques.
- Have hands on experience on Self-Induced Relaxation (S.I.R.).
- Learn to create clear and achievable goals and learn to take action.
- Stop procrastination.
- Build on past success and go further.

This workshop is about achieving success. It is fun, it is simple and it works. It is designed to help you to gain in a very clear and realistic manner what you set out to achieve. Michael Joseph will show you how to develop the ‘millionaires mentality’ and incorporate into your behaviour the actions, thoughts and habits of highly successful people

“Clear Goal” – the dual method of achieving your goal and enjoying the benefits was originally designed for the high-powered executives who demanded success. This workshop has been created for the benefit of all achievers including :

- Those already achieving success
- Those who want success
- Those who want to learn how to become successful

This two day programme is for ANYONE who have ever dreamed of achieving success.

Corporate world , Financial world, The Sales Industry , Businessmen, Businesswomen, Lawyers, Actors, Teachers, Therapists, Hypnotherapists, NLP practitioners, Trainers, Home-makers, Wage Earners and Students.

**Warning! This Workshop
Changes Lives For The Better!**

Other Courses

Part 1 -- Certificate in the Use of Clinical Hypnosis

This course provides the busy family practitioner with the fundamentals of hypnosis and the ability to benefit from hypnotic experience. Personal benefits of self hypnosis, relaxation, stress management, ego strengthening and installing good habit patterns are included, plus an exploration of the serious clinical use of hypnosis. Induction methods, use of suggestions and management of trance form the basis of the course. This course is useful for people engaged in the 'caring / healing professions'. Health care professionals, doctors, teachers, human resource managers, counselors, spiritual / reiki practitioners, social workers and therapists can usefully explore the clinical applications of hypnosis within the spectrum of work they already do.

Part 2 – Diploma in Clinical Hypnosis (with Hons)

An extensive tool box of methodologies and induction techniques are combined with the extensive application to medical , psychological and behavioral conditions.

Part 3 – Practitioners Diploma in Clinical Hypnosis

Application of hypnotherapy in chronic and complex conditions and alongside other psychological and medical interventions , including advanced techniques in hypnotherapy.
